2026 – Competition criteria

1. Hollowform
    a. The hollow form must be hollowed out using a woodturning chisel. No forstner bits or drill finishes. It can be either a vase or box with or without a lid.
    b. Any wood species can be used.
2. Lidded Box
    a. The lidded box must have a lid that fits externally or internally. The box height should not exceed 6” or 150mm. The body of the box should not exceed 4” or 100mm in diameter. The **height** does not include a finial if desired. This is additional to the box height but must be in proportion.
    b. The box should be made from two or more different species of wood. The lid can be threaded or push fit. Either is acceptable.
3. Open Competition
    a. Any item can be entered. However, the Daventry weekend should be kept in mind as we are looking for the best items to take to the show.
    b. An element of colouring is acceptable too.
4. Segmented themed
    a. Any item can be entered providing it demonstrates segmented work. Either open or closed segmentation.
    b. Two or more species of wood must be used for the item.
5. Off centre turning
    a. Any item can be entered but must demonstrate an element of off centre turning.
6. Halloween themed.
    a. Anything from pumpkins to skulls are acceptable or anything else you can imagine related to Halloween.
7. Xmas themed
    a. Any item related to Xmas can be entered.
